

Thank you for trying to find Groundswell's Community Greenhouse and Permaculture Garden. We know it's not the easiest thing to find, so we've created these directions to assist in you finding us.

Our location and our parking lot aren't exactly at the same place, although very close by. We are nestled in a corner on the School District 6 property.

If you are unable to find us, give us the office a call: 250-342-3337  
Although, we are often away from the phone; it's a good idea to get the cell number of the person you are meeting up with.

Google map to our driveway: 15th Ave and Westridge Dr, Invermere, BC.
